

WHY CHOOSE PAGING?

- Pagers often work where cell phones don't.
- Pagers are cost effective.
 - The pager is loaned to you for the duration of your service.
 - There are no contracts or credit checks and service starts at just \$10 per month.
- Text messages can be sent directly to your pager via our internet interface.
 - You receive the messages instantly.
- Each pager number comes with its own email address, too.
 - This allows you to sign up with different websites for weather, sports, and news updates.
- Can't take your cell phone to work?
 - Carry a pager and stay in contact with family and friends in case of emergency.
- Don't hand out your cell number.
 - Give out your pager number instead.
 - We can have your pages go directly to your cell phone.
- Tired of replacing costly employee cell phones?
 - Tired of the decrease in employee productivity due to the use of cell phones?
 - Pagers can solve those issues.
 - Continue to keep in touch with your employees without the high overhead.
 - Pagers are loaned to you for the time you have the service.
 - Replacement of pagers with damages beyond normal wear and tear start as low as \$29.95.
